

CREEK CUSTOM ESTATE NO. 56

OVERVIEW

Creek Estate No. 56 is one of the first ownership opportunities at Driftwood Golf and Ranch Club. Completed in 2022, this home offers unique dual views with Onion Creek cliffside backyard views to the northwest and partial vineyard views to the northeast.

With four bedrooms, one of which includes custom queen over queen bunk beds, there is plenty of space to welcome friends and family to your Hill Country retreat. An impressive great room with lofty ceilings is a perfect setting to entertain your guests, with an open floorplan that allows for integrated entertaining between the expansive kitchen, sunken wet bar, and living room framed by a statement fireplace. The outdoors will be a favorite way to spend lazy Texas afternoons in the large pool, putting on the custom putting green, or circled around one of two fire pits. The finest interior finishes were selected throughout, including natural stone slabs, reclaimed barn wood beams, DuChateau European oak flooring, Rohl plumbing, Wolf/SubZero appliances, and a Creston A/V system. The estate is quietly tucked into the Creek Parcel at Driftwood, offering premium privacy while only located a short golf cart ride from the wealth of lifestyle amenities for family at every age to enjoy.
